

australian web industry association

webindustry.asn.au

Formerly Port 80 Inc, the Australian Web Industry Association Inc. (AWIA) represents businesses, individuals and students involved in the web industry and aims to:

- Further the advancement of the web industry within Australia;
- Educate the general public about the role of professionals in the web industry;
- Foster greater ties with like-minded organisations

Become a part of the Australian Web Industry Association and start enjoying various membership benefits, monthly meetings, discounts to special events and enable us to better serve the Australian web community that we are passionate about.

To find out more about AWIA please visit our web site: webindustry.asn.au
